Sir,

Sub: State Reorganisation - Information regarding progress of development works in South Kanara District.

Ref: Govt. Memo.No.1626/55-1 dated 12-12-55.

I have to state that the only scheme relating to the South Kanara District included in the First Five Year Plan is "Improvements to the Govt. Hospitals at Mangalore" the estimated cost of which is Rs.32.50 lakhs. It being a building scheme, the Chief Engineer (General) P.W.Department will furnish the information in the form called for in the Govt. Memorandum direct to them. A brief note about the scheme is given in the annexure.

2 Details of expenditure on staff, equipment etc. will be obtained from the District Medical Officer, South Kanara and furnished shortly.

Yours faithfully,

for Director of Medical Services.

~~Annexure.~~ Brief note

The Headquarters Hospital, Mangalore and the Lady Goschen Hospital Mangalore had each a bed strength of about 100 and this was found insufficient for the needs of the District. Further the Government of Madras were approached for affording clinical training facilities for the students of the Kasturba Medical College at the Hospi tals at Mangalore, and the Government of Madras agreed to afford such facilities. The Government of Madras have already spent nearly Rs.35 lakhs towards construction of additional Hospital buildings and other improvements to the two Hospitals and for providing necessary equipment, with a view to convert them into proper teaching institutions for imparting clinical training to the Medical students and the Government are also committeed on this account to a recurring expenditure of Rs.10 to 12 lakhs per annum on the maintenance of the institutions.

ANNEXURE I - RURAL WATER SUPPLY - COMPREHENSIVE SCHEME

***

In G.O. Ms. No.737 P.H. dated 7-3-49 the Government approved a comprehensive programme for South Kanara district for the execution of the well works in rural areas for the five year period from 1948-49 to 1952-53. This scheme was afterwards dove-tailed with the five year programme of the Planning Commission which was started from 1951-52 to end of 1955-56. In G.O. Ms.946 Health, dated 17-3-53, the Government approved the proposals of the Board of Revenue to draw up a further programme for the execution of works und under R.W.S. Comprehensive Scheme for 3 years (from 1953-54 to 1955-56) and in G.O. Ms. No.717 Health, dated 2-3-54, the Government approved the 3 years programme for the execution of works submitted by the Collector of South Kanara for 3 years i.e. 1953-54 to 1955-56. The five year programme (from 1951-52 to 1955-56) of the Planning Commission was actually known as 3 years programme from 1953-54 to 1955-56.

There were in all 257 works at the begining of 1953-54 i.e. the first year of the 3 years programme which included 42 incomplete works left over at the end of 1952-53. There was a balance of 74 works on 30-11-55 to be taken up for execution as particularised below:-

ANNEXURE II

RURAL WATER SUPPLY - LOCAL DEVELOPMENT SCHEME.

***

A programme for execution of Rural Water Supply works under the local Development Scheme was first drawn up in 1954-55 with reference to G.O. Ms. No.3952 Development Department dated 1-9-55 and Government Memo No.66267/54-2 H6 Health, Education and Local Administration Department dated 15-7-1954. An allotment of Rs.1,51,350/- was made for 1954-55 in Board's Ref. No.J.7607/54-1 dated 21-7-54- A programme for 48 Rural Water Supply works was drawn up in 1954-55. It was not possible to make any headway in the execution of works during 1954-55. Besides the well works require two years for completion as the summer water level has to be tested during April or May. The rainy season from June to November is not suitable for the execution of R.W.S. well work in this District. As such the works are completely held up during this period. For the current year the allotment for R.W.S. works is shown below.

i) Central Grant Rs.1,56,564
ii) State Grant Rs. 78,282
iii) Cash Contribution of beneficiaries. Rs. 14,450

The present position of R.W.S. works is as follows:-

1) Estimated cost (First Five Year Plan Period (approximate) 7,50,000 (Total cost including contribution in kind and labour for all works in the programme.)

2) Expenditure incurred upto 1954-55 17067 (excluding contribution in kind and labour)
(No expenditure prior to 1954-55)
Central Grant 8545
State Grant 6774
Cash contribution 1748

3) Anticipated expenditure in 1955-56 234846 Revised allotment (excluding contribution in kind and labour)

4) Total number of works programmed for the First Five year plan period 195

5) Works completed in 55-56 upto 30-11-55 (No work was completed before) 5

6) No. of works deleted upto 30-11-55. 15

7) Balance for execution in the programme 175 /

Sub:- State Reorganisation - Information regarding progress of Development works in South Kanara District Submitted.

Ref:- Government Memo.No.1626/55-1, dated 12-12-55, of the Public (P &D.II), Madras.

The only Development Scheme under my control is the Urban Compost Scheme. A slight preamble is necessary to have a correct appreciation of the working of the scheme.

The actual production and distribution of compost is the responsibility of the Municipality or notified panchayats in the locality. In South Kanara there are 2 municipalities and 7 panchayats The Expenditure and receipts is the sole concern of the local bodies.

Under the Madras State Compost Scheme I am operating a bedget under two sub-heads of account.

(i) State Compost Development Committee;
(ii) Urban Compost Making.

and there is no separate alottment for each district as such. To the 1st Head is debitable the pay and allowance of the Compost Development Officer and his staff. There is no staff employed in South Kanara and hence whether South Kanara is removed from Madras or not the expenditure will remain unaltered for this State.

To the (ii) Head is debitable the subsidies and grants to local bodies. The subsidies are dependent upon the sales in each year by each local body as well as the sale price. According to the existing conditions only local bodies which have a cost of production over Rs.2/- per ton are eligible for subsidy on sales.

With this preamble I shall now proceed to answer the questions seriatum.

(1) Name of Scheme:- Urban Compost Scheme.
(2) Estimated cost:- for the year 56-57 (i) State Compost Development Committee Rs. 30,000
(ii) Urban Compost Making Rs.4,00,000.,
when the South Kanara District becomes a portion of the Bombay State the Compost Development Officer of Bombay will be in-charge of the work and perhaps about Rs.500/- will be all that would be necessary to meet his Travelling allowance due to the extra territory he may have to tour.

(3) Expenditure incurred to end of 1954-55 Nil.
(4) The anticipated expenditure in 55-56 Rs.500/-.

There is no claim for loan or subsidy from the local bodies in South Kanara District. Only Travelling allowance for the tour of the Compost Development Officer needs to be paid.

No. of Local Bodies.	Quantity of compost produced upto 30-9-1955	Quantity of compost sold upto 30-9-55.
2 Municipalities and 7 Panchayats	39,412 Cft.	6,675 Cft.

BRIEF NOTE.

The Headquarters Hospital, Mangalore and the Lady Goschen Hospital, Mangalore had each a bed strength of about 100 and this was found insufficient for the needs of the District. Further the Government of Madras were approached for affording clinical training facilities for the students of the Kasturba Medical College at the Hospitals at Mangalore, and the Government of Madras agreed to afford such facilities. The Government of Madras have already spent nearly Rs.35 lakhs towards construction of additional Hospital buildings and other improvements to the two Hospitals and for providing necessary equipment with a view to convert them into proper teaching institutions for imparting clinical training to the Medical students and the Government are also committed on this account to a recurring expenditure of Rs.10 to 12 lakhs per annum on the maintenance of the institutions.

(a) Government Wenlock Hospital, Mangalore.

Additional staff	Rs.	56430 0 0
Equipment	Rs.	133337 0 0
Total Rs.		189767 0 0

*Out of this sum a sum of Rs.1,50,600/- has already been spent.

The Government have separately sanctioned a sum of Rs.1,31,300/- for the purchase of X-ray therapy apparatus etc. One 300 M.A. apparatus has been received and the bill will be paid on receipt only after the testing of the apparatus. As there is no proper supply of electric current, it was not possible to test the apparatus. It is not possible to say at present whether the entire amount sanctioned could be spent during 1955-56. The amount sanctioned will therefore be sppnt during 1955-56 and 1956-57.

Particulars regarding Progress of Development Works in South Kanara Districts.

...

1.	Name of the Scheme.	South Kanara District Anti Malaria scheme.
2.	Estimated cost	Information not available
3.	Expenditure incurred to end of 1954-1955	
4.	Anticipated expenditure in 1955-56	Rs. 89,586-0-0

This scheme was started in 1948 for control of Malaria in Puttur taluk. Later the work has extended to villages in Karkal Coondapur and Kasargod taluks benefiting a population of 2,25,000 distributed in 1,750 square miles. At present the entire portion of the foot hill malaria belts of South Kanara District commonly known as MALNAD areas has been included in the scheme - 112 villages in Puttur taluk, 47 villages in Karkal taluk, 32 villages in Coondapur taluk and 21 villages in Kasargod taluk.

Antimalaria Measures adopted include Residual spraying of houses and distribution of anti-malaria drugs to fever cases. Malaria is well under control in all the villages included in the scheme area. The general health of the inhabitants of the area is very much improved and more lands have been brought under cultivation.
